

Summer Survey

July through August 2023

Marathon
Children and Family
Centre

The Marathon Children and Family Centre is surveying to see if there is a need to stay open during the summer months, which is July 3rd to August 31st, 2023.

Please fill out a calendar for each month showing days and times child care is needed. If committing to summer care, subsidized families will be obligated to pay full fee costs should you decide to cancel as The District of Thunder Bay Social Services Administration Board will only cover up to one week of payment should a child stop attending.

Payments will need to be paid in advance and will be non-refundable.

Should there be enough interest and it is financially feasible to stay open, we will offer this service.

We will need this information by May 15th, 2023.
